Analyze and apply the concepts learnt.

Analyzing

IX Read Maya's diary and answer the questions.

(1+1+2 = 4Marks)

Saturday, January 2015	Saturday, January 2021
We are going on a picnic today! My mother and aunt made some snacks for the picnic. We packed some games to play. My brother, my cousins, and I got into one car with grandma and grandpa while my parents, uncle, and aunt got into another. We reached the picnic spot singing along the way. We had a great time eating and playing together.	It's a holiday today. My father made breakfast for us. My mother watered the plants. My brother and I cleaned the cupboards. In the afternoon, we all went to a car showroom where my parents bought a nice car. In the evening, my parents went to buy fruits and vegetables while my brother and I stayed at home.

1. Write 1 way in which the responsibilities of the family members changed over the years in Maya's family.

2. Who do you think takes decisions in Maya's family now?

3. If this were your family, which of the two Saturdays would you have enjoyed the most and why?

X Look at the picture of a homeless family and answer the questions. (1+2+1 = 4Marks)

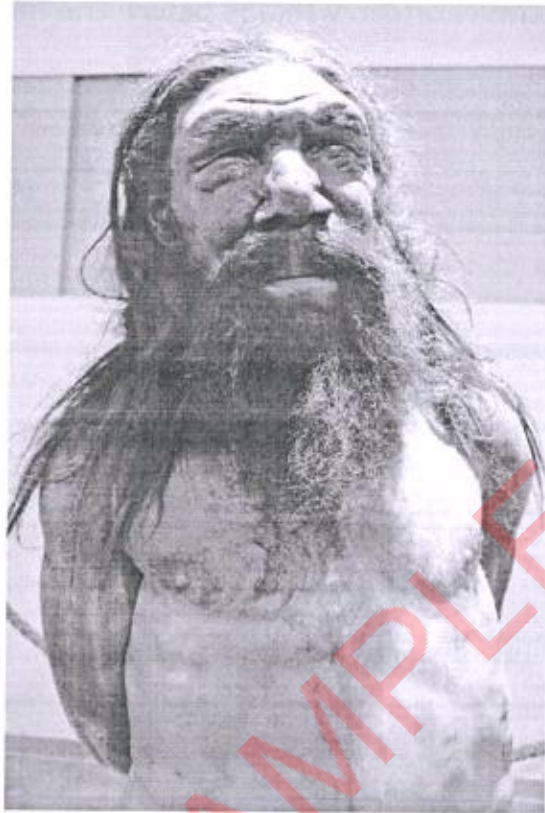

1. Where do you think this family is living?

2. Give 2 reasons why this family could be homeless.

3. Write 1 problem that this family may be facing.

XI Look at the picture and answer the questions.

(2+1+2 = 5Marks)

1. Is this a Neanderthal or a Homo habilis? How do you know?

2. What are the 3 physical features you notice about this human?

3. In what type of climate would this early human have survived? How do you know?

Recall and write from the concepts learnt.

Remembering

XII Answer the following in brief

(5x2 = 10Marks)

1. How did early humans travel or carry things before the invention of the wheel?

2. How did early humans use fire?

3. Why are heritage buildings special?

4. Do you think cleaning bathrooms and toilets at home should be the job of a particular person only? Why?

5. Stone tools have been used by early humans from the time of Homo habilis to Homo sapiens. What do the changing shapes and sizes of stone tools tell us about early humans?
