T.I. & I

That moment when my mom and dad
dropped me at an unknown place;
With a proud smile on their face,
Confusion and questions overtook me
Why did they leave me? What am I to do?
I stood there still, having no clue I looked
up and saw "T.I", and stared at it with wide
eyes

I was at school, out of my vestibule
Kindergarten welcomed me
And all I wanted was to just flee
My first appearance on stage
As goddess Parvati, wife of lord Shiva, a
sage From moving step by step to running
into primary

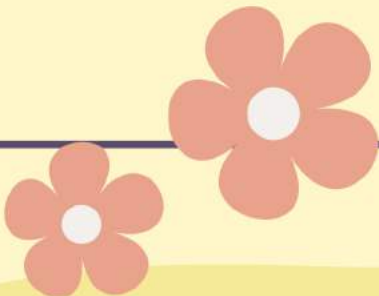

The pride I felt in winning first place in
writing; was very much exciting.
One day I was in primary, next you know
it was middle school.

Somehow EVS had become science
And everyone was in defiance
Suddenly the COVID pandemic was here
And everyone cheered, for there was
No waking up early and no school;
But to our dismay, online school had come
our way.

Yet everything was sweet like
Saccharum
3 years of school went by,
With just a blink of an eye
Stepping into 11th grade I thought Oh,
how time flies!
With people joining in, I saw
New faces, new smiles and joy
Laughter, tears and memories It all felt
like centuries;
And year by year, the teachers were
only sweeter;
The knowledge they had taught, made
us wrought.
Last year of school,
always filling up my schedule;
The journey at T.I was over and I am
onto the next journey.
And just as we yelled "Farwell"
14 years of my life flashed in front of
my eyes along with the camera.

Does it stop?

**What's the one that doesn't stop
But stops when you have your death call.
If you don't care, it'll totally drop,
But if you care, you can stop its fall!**

**Sometimes it starts to prove
That saving it is a goal.
It thinks that some don't know its next move,
But I know as I've my own control!**

**Whenever we take it with us,
It travels as fast as it can.
When we think it's a fuss,
We realise it never can have a ban!**

**People think it can do some magic,
But trust it, and act with some logic.
Don't make yourself say in vain,
"Will I get back that time again?"**

GROWING A PLANT

I plant a little seed;
In the Ground;
Out comes the Sun;
Big and Round;
Down come the raindrops;
Soft and slow;
Out comes the flower;
Grow! Grow! Grow!

Poem For Friendship

I want a friend like you,
I got not all but a few.
I want to talk with you,
So I can feel things anew;
I don't feel lonely,
When you walk with me slowly.

Rina goes hunting!

Once there was a girl called 'Rina'. She had a big family. Her mother was called 'Sita', her father was called 'John' and her big brother was called 'Boley'. They lived in a forest! There was only one hut there! Do you know whose it is??? That's right! It's Rina's!

One day, Rina's family were going out to hunt. At first, they did not find anything to hunt. It was 3'O clock, when they started and now it was 4'O clock! Rina and Boley were so angry at their parents because they did not find anything. At last at 5'O clock, a small lion was roaming around. Rina and Boley were so happy. They shouted, "Mum! Dad! Look there is a small lion." Their mum and dad looked at it. All animals can speak and understand what everyone says in this forest. The lion looked at them and ran. Rina and her family ran behind the lion shouting, "Dear lion, we will not hunt you. We will only talk with you." The lion brought its mother lion. Now Rina and her family ran as fast as possible.

Rina had a friend called Ria from a village called 'Sivini' near a forest. Rina is 6 years old and Ria is 4 years old. Ria is a mini-fighter. She had fought six lions before. She comes to the forest, once a week, to collect fruits and play with Rina. Once, she gave a gift to Rina, which is a bell and said, "Whenever you are in trouble, ring this bell and I will come right away".

Rina takes the bell with her, every time she goes hunting. So, she took the bell and rang it. Ria came and defeated the mother lion. Then Rina asked Ria to stay. Ria agreed. The lion brought its father lion. Ria defeated the father lion too. Then the lion brought its sister lion. Ria defeated it too. Then the cub took a chance to fight. Then Ria ran saying, "I can't fight the cub. I am too scared." Then Rina took a chance to fight. She punched the lion's face. The lion was defeated. Then Rina and her family hunted the lion and ate it.

The star

**It was a cold night,
With all the stars shining bright.
It couldn't stand, and falls away to make a day,
It always wishes to come back by anyway.**

**For all the time you are a pleasing view,
I always wonder what could be you.
You're the most iconic friend,
Our conversation will never end.
You make the Upper Town classic
If you get collapsed, our lives will become tragic.**
